Along the way, Harry will try to make sense of Hermione's puzzling appearances and disappearances, with the help of Ron and the giant Hagrid, who has taken on a new position at Hogwarts as the Care of Magical Creatures teacher. A confrontation between Harry and the menacing Sirius Black seems inevitable, but what exactly is Professor Lupin's relationship with Black? What is the dark secret that Professor Snape is so eager to reveal? And just why is Ron's pet rat Scabber's so frantic to escape his grasp? H</p>	<p>In</p>	<p>Guest Services</p>
